

PBIS: Tier 2 Virtual Sessions

These three virtual sessions are designed for PBIS leaders, team members, and facilitators to expand their Tier 2 PBIS toolbox based on individual district and/or building needs.

Participants may attend any or all sessions, but must register for each session separately.

Participants will be expected to complete some independent work.

January 23, 2024 - Session 1: *Are We Ready for Tier 2; Developing a Tier 2 Team; Data Decision Rules*

- Review essential PBIS Tier 1 characteristics to ensure implementation with fidelity.
- Use data to determine your building's readiness for Tier 2 development.
- Learn why it is essential to establish a Tier 2 Leadership Team that is composed of the recommended membership.
- Develop an efficient and effective process for gathering and reviewing relevant student data utilizing multiple data sources.
