

# Improving Graduation Rates

Are you looking for strategies or ideas for improving graduation rates for students with disabilities? Join us for this virtual professional learning session.

Participants will be presented with strategies and resources to develop an early warning framework with suggestions for interventions to address the needs of students who are at risk of not graduating.

The target audience\* for this session is:

- Building Administrators
- School Counselors
- Curriculum Personnel
- Teachers and Intervention Specialists
- Central Office Staff

*\*Though not required, districts are encouraged to form a team.*
