

Proactively Communicating Literacy Practices with Families

2-part Virtual Series

This 2-part professional learning opportunity will provide district leaders with ideas for building relationships and strengthening two-way communication with families around literacy instruction, assessment, intervention and Ohio's Dyslexia Support Laws.

Session 1: Overview of Proactive Communication Strategies

September 7, 2023 (9:00 - 11:00 a.m.)

In session 1, we will explore sharing general information regarding literacy instruction and assessment, assessment results and intervention plans in a family-friendly format. We will also discuss gathering input from families to inform reading intervention plans.

Session 2: Developing Solutions to Common Problems of Practice

October 31, 2023 (9:00 - 10:00 a.m.)

In the second session, participants will have the opportunity to collaborate with their colleagues to plan for on-going two-way communication with families including sharing sample letters for Reading Improvement and Monitoring Plans and Ohio's Dyslexia Support Laws.
