PBIS Tier 2
Virtual Sessions

These three virtual sessions are designed for PBIS leaders, team members, and facilitators to expand their Tier 2 PBIS knowledge for implementation based on individual district and/or building needs.

Participants may attend any or all sessions but must register for each session separately.

One hour of prework activities should be completed prior to each session.

January 30, 2025 - Session 1
Are We Ready for Tier 2; Developing a Tier 2 Team; Data Decision Rules

- Review essential PBIS Tier 1 characteristics to ensure implementation with fidelity.
- Use data to determine your building's readiness for Tier 2 development.
- Learn why it is essential to establish a Tier 2 Leadership Team that is composed of the recommended membership.
- Develop an efficient and effective process for gathering and reviewing relevant student data utilizing multiple data sources.
