

Career Tech Power Hour

Career Tech Power Hour Virtual Discussions

In collaboration, The State Support Teams, Region 10 and 13 and Ohio College Tech Prep Southwest and West Regions are proud to bring you the "Career Tech Power Hour Chats."

These virtual chats are for anyone and everyone who is interested in learning more about career technical education (CTE), graduation requirements and how CTE can help students find their path and future.

Please register for EACH session below. If a topic is 'to-be-determined', don't fret...a great session will be planned. We want to give ourselves some room to add 'just in time' topics for you.

After you complete the registration via Google Form (below), the Zoom link will be displayed on "submission received" screen.

September 3, 2024 - 3:00 PM - 4:00 PM
